Connecting Organizations to their Community

ABOUT US

Ripple Effect Society is a non-profit organization where busy professionals can meet like-minded individuals while volunteering for an event that gives back to the local community. Since 2002, our fun and social way to network has inspired hundreds of individuals to participate. We partner with and support various local non-profit organizations.

Ripple Effect also offers team-based volunteer programs for corporate and local businesses wanting to strengthen their team dynamic while contributing to their local community.

CORPORATE MANAGEMENT SERVICES
